

On the 30.11.18 we went to Hampton Court and had a wonderful day, especially as it didn't rain!

We spent the morning investigating the Tudor part of the palace and we learnt so much. We have written lots of amazing facts in our homework too.

In the afternoon we had a great talk from Tom about trade in the Tudor period. It has inspired us. We used this inspiration to continue our Historical Fiction work and become Privateers for Queen Elizabeth I.
