

Postcard from my teacher

Dear Silver Birch,
I hope you are all well and are enjoying the sunshine. I have been very busy decorating my living room purple – my favourite colour! Pumpkin (my cat) is very happy to have everyone home and I even took her for a walk the other day. Over the Easter holidays I plan to start reading some Jennifer Bell books, after meeting her and hearing about her books I couldn't help but buy them! I hope some of you have read them so we can talk about it when we get back to school.
Take care of yourselves and I will write again soon,
Miss Gilbert
