

Postcard from my teacher

Dear Silver Birch,
I hope you are all well and finding plenty to do to keep you busy. I have been busy at home with my grown-up children, Molly and George. We have been on walks and I try and go running most days. Today George has gone out on his unicycle – he is getting quite good at it! Molly has just received a Karaoke microphone so I think my house will be very noisy over the next few days. My pets Twinkle and Truffles are enjoying having us at home. I didn't realise how lazy they are...Twinkle sleeps nearly all day! I do miss seeing you all. Look after yourselves and I will be in touch again soon.
With love from Mrs Mason x
