

Postcard from my teacher

Dear Silver Birch,
I hope you are all enjoying your Easter holidays! Pumpkin (my cat) and I have been continuing to enjoy the sunshine on my balcony and I have started to read the first of the Uncommoners series by Jennifer Bell. It is really good so far! I have also been baking and I have made cookies, brownies and a carrot cake so far. I have also started painting my bathrooms now too so I am keeping very busy! I hope you are too.
Take care of yourselves and I will write again soon,
Miss Gilbert
