

Postcard from my teacher

Dear Silver Birch,
I hope you are all well and still enjoying the wonderful sunshine! It has been lovely hearing from some of you and finding out how you're getting on with the work that has been set. I know lots of you were looking forward to reading Alice in Wonderland and I hope you love it as much as I do! I have decided maybe running isn't for me but I'm continuing to make sure I am keeping active and discovering new walks around where I live.
Take care of yourselves and I will write again soon,
Miss Gilbert
