

Postcard from my teacher

Dear Silver Birch,

I hope you are keeping busy and are able to get out sometimes to enjoy the sunshine. I have had a busy week at home, getting lots of jobs done. I thought I would send you a picture this week of my wonky rabbit, Truffles. (he was poorly a couple of years back and was left with a wonky neck) He is very happy at the moment as he can go outside a lot, usually he has to stay indoors. He misses his best friend, Mo, who is Mrs Cherril's rabbit. Sometimes we take him to visit but we can't at the moment and will have to wait until we are back to normal. I do miss you all and hope to see you soon.

With love from Mrs Mason xx

P.s. Alice in Wonderland was my favourite book as a child, and I read it over and over again. I also found the bit about the duchess a bit long!
