

Postcard from my teacher

Dear Silver Birch,
Once again, thank you for the postcards and for keeping in touch. We do enjoy hearing your news. (and your jokes!) This week I have been decorating my house. I decided to do the whole lot at once so have been very busy. Twinkle was extremely difficult and kept sitting right next to where I had painted. I am surprised she is not covered with paint! Truffles has had to go on a diet as he has become very overweight. This is because we are at home and keep giving him treats. He is particularly fond of toast! I put him out for his exercise and as you can see in the photo he isn't over doing it! The new bunny, Otis, is very friendly but can jump really high. The other day we found him on top of his cage in his bag of food! I hope you are all keeping well and finding plenty to keep you busy. Take care and will be in touch again soon. With love, Mrs Mason xx
