

Postcard from my teacher

Dear Silver Birch,
This week I have been focusing on making lots of yummy meals – I've made spaghetti and meatballs, chilli con carne and even made my own version of nandos! I have been receiving a lot more work and postcards this week, it's been really nice to know how well you're all getting on and to see the amazing work you've all done. I've been keeping up with my walks and enjoying the fresh air, I hope you are keeping active too.
Take care of yourselves and I will write again soon,
Miss Gilbert
