

Postcard from my teacher

Dear Silver Birch,
Thank you for the postcards and the excellent video, presenting a settlement. We certainly have some talented children in year 4! I wish I could see the giant rainbow one of you has made. We have had a busy week here. Twinkle went on an outing to visit my dad. She was very excited though she didn't really enjoy the car journey and got a bit grumpy. Truffles and Otis have been playing together in the garden. Hopefully it will wear Otis out a bit as he is very lively. We did try and get a group photo for you of the three of them, but this proved disastrous, as you can see! It is far easier getting 30 school children ready for their school photo! We are so lucky having such good weather and being able to get out in the sunshine. I have enjoyed bumping into some of you when I have been out and about. I do hope you are all well and will see you again soon. With love, Mrs Mason xx
