

## Postcard from my teacher

Dear Silver Birch,  
I hope you all had a lovely half term last week, I certainly did! I have found lots of new walks near me and have been enjoying walking in the sun. Pumpkin and I have also enjoyed sitting on the balcony and I've been reading a lot too. I even have a nice tan! I have absolutely loved reading your finished Alice in Wonderland stories and seeing some amazing ideas for your own city. Make sure you keep sending in your work – we are moving onto Vikings this term! Take care of yourselves and I will write again soon,  
Miss Gilbert
