

Postcard from my teacher

Dear Silver Birch,
thank you for your postcards. Lovely to hear so much reading is being done. One of you mentioned listening to David Walliams and reading Horrible Histories... both are very funny. Horrible Histories have done a brilliant Kings and Queens song which we did in year 6 a couple of years back. See if you can find it on YouTube...it's a good way to learn your Kings and Queens in order. You can sing it to us when we eventually go back to school!

So... we are now on bandage number 5...One week left and counting! Otis is in trouble for growling at Truffles, so he is not allowed to visit him until he remembers his manners! Twinkle has been trying to keep fit and has taken a shine to the trampoline. She finds it very comfortable for snoozing! I have been going into school to help year 6 with their learning before they move on to their secondary schools. It has been lovely seeing them all. I know some of you are enjoying the peace not having your siblings at home! Look after yourselves and will write again soon. Love Mrs Mason xxx
