

Postcard from my teacher

Dear Silver Birch,
This week in Year 6 we have been learning about electricity – which is great for me as I know a lot about it from teaching it to you in Year 4. I have become a little bit lazy when it comes to exercise so, I've started walking again and we're doing Joe Wicks on a Thursday in Year 6 and wow it is really difficult! I hope you are all keeping active too.
Thank you for sending in all your work! I really enjoy reading it all and I am glad you are finding our topic of Vikings exciting.
Take care of yourselves and I will write again soon,
Miss Gilbert
