

Postcard from my teacher

Dear Silver Birch,
This week in Year 6 we are learning about the 1960's and have been making paper clothing and planning a 1960's party! Unfortunately, I have hurt my foot walking last week so it's back to resting on the sofa for me! Although we haven't exactly had walking weather anyway. Thank you for sending in all your work! Not long left until the summer holidays so keep working hard so you can have a well earned break. Take care of yourselves and I will write again soon,
Miss Gilbert
