

Postcard from my teacher

Dear Silver Birch,
Once again, I am so impressed with some of the writing that has been sent in by children in Silver Birch. It's good to see that even though you are not in school you are being so creative.

I have had a nice couple of days in Year 6. They were doing Sixties dancing with TikTok thrown in! It was good fun.

My little menagerie is all good. Poor Truffles had a shock when a branch from a very tall tree came down when it was really windy at the weekend and landed across his house. Luckily, it didn't land on him. Otis committed the ultimate sin when sitting on me the other day... I'm sure you can guess. He was sent back to his house in disgrace!! Only two weeks until the summer holidays. I hope you will be able to do something nice even if its just going to the park or meeting up with friends.

Take care of yourselves, Love Mrs Mason xx
