

Postcard from my teacher

Dear Silver Birch,
This week in Year 6 we have been learning about what senior school is like and how to prepare. We have also been having lots of fun having our own sports day and watching films from the 1960's. I also took a trip to the shops this weekend and treated myself to some things from Primark – Pumpkin preferred the bag to the clothes that I bought (picture included!).

Thank you for continuing to work hard and send in all your wonderful work. This will be my last postcard before the summer

holidays but a video will be on the website of me so I can personally say goodbye to you all. I hope you all have a wonderful summer holiday, although it may be different to what we are used to, make sure you make time to see your friends and have plenty of fun!

Remember to take care of yourselves and your families,
Miss Gilbert
