

Postcard from my teacher

Dear Oak,

How are you all doing? I have found it quite strange starting the Summer Term, but not seeing you all. So I am picturing all of your lovely smiley faces and that makes me smile. 😊

Lottie the cat is enjoying us all being at home. I have to say, she really is very lazy; she spends all morning asleep, has a mooch about in the garden at lunchtime, sleeps (again) most of the afternoon and sleeps all night! Mr Explorer was not at the weekly Keele University party last week, and I forgot to ask the others where he is. I must remember to ask this week. Could he be climbing a mountain?

I have started to run again – I am determined to get to 5K by the date of the run we were going to do in May to raise money for the school.

The “young people” in my house have put a new App on my phone so I know that yesterday I did 4.3K and I went a lot slower running (barely) up a hill in the Great Park. I do need to check how Miss Green is doing with her preparations ... I am really enjoying reading your postcards and finding out what you have been up to. And for those of you who have been baking - remember Mrs Anstee and I will want to test anything! Keep the postcards coming in! Love from Mrs Phillips
