

Postcard from my teacher

Dear Oak,

Well, I am feeling very pleased with myself as I have finally finished painting my bedroom. I just need to decide on what new blinds to get and a new wardrobe to help me be more organised! Also, I am pleased with myself for keeping going with the running. I have a running playlist that I listen to on my phone and it really helps me to keep going. I wonder if you remember me playing Proud to you by Heather Small? There was a video of lots of famous athletes doing their sport in places in London, well that song is number 2 on my playlist and every time it comes on I say "I am proud that I have come out on this run". What are you proud of yourself for? If you think of one thing every day, it will help you to feel great. I noticed that Mrs Mason and Mrs Akien had included photos on their postcards, so here is one of Lottie keeping me company while I write to you. I have enjoyed hearing from more of you via the learning2@datchetstmarys.co.uk website. It really is lovely to hear your news and know what you are doing. So please send me your news and any work that you would like me to see.

Love from Mrs Phillips
