

Postcard from my teacher

Dear Oak,

What amazing sunny weather we had for our half term holidays! I hope that you have all been able to enjoy the sunshine. I had to hide from the sun in my back garden because it was just too hot for me in the afternoon. But I enjoyed eating my dinner in the garden once it cooled down in the evening. Lottie has been hiding from the sun too, either behind a lavender bush or under a deckchair. Yes, her hiding does involve her being asleep all day!

I have been very busy with school work and getting ready to go back to school. We started school yesterday and had a relaxing day of settling back in and catching up with each other in our new class bubbles.

I have really enjoyed sitting in my parents' garden for a socially distanced chat this week; I know that they really appreciated being able to talk over a coffee.

I look forward to hearing from you next week.

Love from Mrs Phillips

PS Don't tell Mrs Anstee, but I still haven't finished my book.
