

Postcard from my teacher

Dear Oak,

So last week I was saying it was rainy and this week I feel we have all turned into hotter than hot things! I am having to remember to water the garden and also the lovely spiritual garden at school.

You will love the garden when you see it.

Miss Green gave the teachers a new task this week – making a short video to send to you all. You need to look out for it next week. I have to say that I found it difficult to do, but I persevered and got there in the end (I had to video myself at least five times).

Note to self: this is a skill I need to develop!

I am loving my new watch. It has been very useful to give temperature and weather updates to children. It also tracks how much I move, take exercise and stand. Which makes me check that I am keeping active enough. I have been for a few runs since I last wrote, the Great Park is still my favourite place to run because of the beautiful trees and the varied views. Where is your favourite place?

Take care of yourselves and those around you.

Love from Mrs Phillips
