

Postcard from my teacher

Dear Oak,

So, we have reached the end of the summer term. I know the children in school are counting down the days and disputing whether to include the two weekend days or not in the countdown. For me, we have four and a half days of school left from today (Thursday).

I always think back over the year when we get to this point and remember the journey we have been on together. Although this year has been an odd journey because of Covid 19, I have to tell you how proud I am of you all. I loved our performance of Macbeth at Norden Farm, you were all absolutely brilliant. Those of you who have helped me to develop the Alma writing genres, I thank you because you have shown what can be done and how enjoyable it was to write letters of complaint and a sequel; I will definitely use these teaching ideas in the future.

I know you all have great foundations to build on as you go to your next schools and that you will flourish and be superstars. If I don't see you next week, I want to say: enjoy your summer holidays and take care of yourselves and those around you.

Love from Mrs Phillips
