Look at your work from yesterday

Artists always work hard to
improve their work

This is your turn to do that

LO I can create a food poster using dots in a pop art style

This is one of Andy Warhol's most famous images

LO I can create a food poster using dots in a pop art style

Your turn

1. Look at the Warhol Banana (and a plastic banana)
2. sketch lightly the outline
3. Go over the outside in fruit in black fine felt tip
4. Experiment with using dots closer together and further apart to create tone
5. Use a contrasting colour to create interest
