

Postcard from my teacher

Dear Willow Class,

I hope you are all enjoying your break and are having lots of fun at home. You are all very creative so I am sure that you have been busy making, cutting, sticking and painting. I have been busy too. I've been taking Logan and Roxy out for a long walk each day. There is a big field behind my house where they enjoy running around. There is also very long grass that Logan enjoys leaping through; like a gazelle! There are also lots of rabbits who scurry quickly into their burrows when we get too close. I am also reading (again) one of my favourite books called 'Jane Eyre'. It is a captivating story. I decided that I should learn how to bake but I don't have any of the utensils so I shall have to buy a few things before I start. I really like scones so I might have a go at baking those first.

Take care and I will write again soon.
