

## Postcard from my teacher

Dear Willow Class,

The weather has been lovely hasn't it? I have spent a lot more time outside than I usually do. I share a garden with my neighbours. It has lots of beautiful plants in but no one has been looking after it so it's quite untidy. I've been working with my friend to tidy it up. We've thrown away lots of dead leaves and pulled out weeds. It's a very tiring job but the garden looks lovely now! Logan and Roxy have been helping too and having lots of fun. Roxy fell into my neighbour's pond! It wasn't deep but it was full of smelly water so I had to give her a good scrub. I'm sure you've all been reading and writing at home. Are you practising your phonic sounds too? I've been learning at home too. I am doing an online course on how to become a better teacher. I like learning new things, like you. Take care and I will write again soon.
