

Postcard from my teacher

Hi Willow

I hope you are all keeping busy and enjoying the lovely sunshine.

This week we had our first barbeque for the year. My husband loves cooking on the barbeque, which is great for me! We had sausages and chicken. Have you had a barbeque yet?

My son, Ollie, who is 17yrs, enjoys playing golf. He has changed our garden into a golf course, we do not have a big garden! He is practicing most days as his club is closed. I am helping him create a golf course using anything I can find in our garage!

I am still going out for a walk or a cycle ride every day. I try to go out first thing in the morning, when it is cool but lovely watching the sun rise.

I hope you have a lovely Easter.

Love Mrs Cherrill x
