

# Postcard from my teacher

Dear Willow Class,

The weather hasn't been very nice this week has it? Lots and lots of rain! Logan and Roxy don't mind getting wet on their walks but when we get home they are both absolutely soaking wet so I have to dry them off with a towel. Logan doesn't like to be dried so I have to chase him around the living room! It has been lovely to see the work you have been doing at home. I've seen some amazing story paths and tricky maths questions being solved. I hope you're all reading at home too. You all know how much I love learning about animals. I've been watching a David Attenborough series about arthropods. See if you can find out what they are.

Take care and I will write again soon.

Miss Weerasekera
