

Postcard from my teacher

Hi Willow

This week I was sorting out a cupboard when I found all my jigsaws! I decided to start doing one, it had 1000 pieces! It was a picture of a farmyard with lots of animals and people working. It is very hard as the same colour appears lots of times. I am determined to finish it now I've started, I will let you know how I get on. It was lovely to see some of you this week when I was on my daily walk. Thank you for your postcards and telling me all the amazing activities you have been doing. I know some of you have been climbing trees, doing doodle maths, learning Japanese and Punjabi – Wow! Please keep sending them as I love to hear what you are all doing.

I will write again soon. Love Mrs Cherrill x
