

# Postcard from my teacher

Dear Willow Class,

Did you find out what arthropods are? I know that some of you have. I really enjoy looking at the work you have been doing at home. I have been very busy this week. I decided to paint my bedroom. It took quite a while as I couldn't remove all the furniture in the bedroom so it made it harder to move around. It looks much better and brighter now. I tried my best to keep Logan and Roxy out of the room whilst the paint dried but Roxy snuck past me and ended up with paint all over her tail! Last night I had a lovely surprise. I walked out of my house at night to put something in the bin and saw an adult fox and a fox cub. They ran away when they saw me but it was so lovely to see them.

Take care and I will write again soon. I look forward to reading your postcards.
