

## Postcard from my teacher

Dear Willow Class,

The sun has come out again. Yay! I have been doing lots more gardening this week. My neighbour has planted some beautiful flowers outside the front of her house.

I've bought a big bag of soil which has lots of minerals in. The minerals will help the plants grow and I'm hoping to have a bright and colourful garden soon. Logan hasn't been very well this week so I had to take him to the vet. The vet gave him some medicine to make him feel better. He's been jumping around a lot today so I don't think he is poorly anymore.

I had a lovely picnic on Sunday. I packed lots of yummy food and sweet treats and walked to the field behind my house.

Logan and Roxy had lots of fun chasing the squirrels.

Take care and I will write again soon. I look forward to reading your postcards.
