

## Postcard from my teacher

Dear Willow Class,

I hope you are all well and doing lots of lovely things at home. On Saturday I looked after my niece Ava and my nephew Oliver. I took them to Virginia Water where we walked around for a bit. Then I took them back to their house so they could play with their toys. I also did some phonic work with Ava as she will be starting school in September. Roxy's is quite poorly at the moment. She has a problem with her two front legs. I have made an appointment for her at a veterinary surgery called 'Fitzpatrick' so she can have a little operation. She will have to rest for a few weeks after her operation but hopefully, she will feel better and be able to go for longer walks. Logan is very well (he's like a jumping jelly bean). Have a great Summer my lovely Year 1's and I will see you in September.

Lots of Love, Miss Weerasekera
