

# Postcard from my teacher

Dear Spruce, I hope you are all well and enjoying the sunshine. I have been doing lots of gardening and playing on the trampoline with my children. I have started to read a new and exciting book and I love to share what I have read with my family. Snoopy and Peanut are enjoying all the peace and quiet at school but said that they miss you all and are looking forward to eating all the dandelion leaves that you bring them when we return to school. I have decided to try to learn how to bake yummy cakes as I have only really learnt how to make fairy cakes. It is always good to learn something new so I will let you know soon how I get on and maybe when we return to school I can bake my new recipes with you all. Take care and I will write again soon. Mrs Gilchrist xx
