

# Postcard from my teacher

Dear Spruce,  
Well it has been another glorious week in the sunshine. I have been having lots of fun in my garden playing with the sprinkler. We have bought a new paddling pool but it took nearly 3 hours to fill it up!!! It was nearly bedtime before it was ready to play in. 😊 I have been continuing with my baking this week and have made chocolate brownies and chocolate chip cookies. They were very yummy. It is my dad's birthday today so I have made him a birthday cake and we will be singing happy birthday to him through a video chat. Have any of you spoken to someone through video chat? Stay safe Reception Class and we all miss you very much.
