

Postcard from my teacher

Dear Spruce,
I hope you are all well and helping your mums and dads around the house at home. This week I taught my son how to use the washing machine so that he can do more jobs for me. Have any of you learnt how to do something new? I was so pleased to hear this week that some of you are writing messages to each other. That makes me so happy to hear that you are keeping in touch with your friends and developing your writing skills. I have also been checking doodle maths and some of you are doing lots of doodling so keep up the good work. Don't forget, if you want to send me any messages or work you can email our new learning email address. Miss you all.
