

Postcard from my teacher

Dear Spruce,
What a lovely sunny week we have had. For once I didn't mind when my children splashed me with the water from the paddling pool. I have been trying to cool down by eating lots of ice creams and ice lollies but I have eaten so many I'm worried I might turn into one. You have all been working very hard at home this week. I have seen some fanatic pieces of work so thank you for sending them through, it makes me very happy to see it all. I have been very worried about my cat Molly this week as we have two magpies that have nested in our garden and I think they have eggs in their nest because every time Molly tries to sunbath in the garden they squawk at her and chase her. I hope you all have a lovely half term. Miss you all.
Love from Mrs Gilchrist xx
