

# Postcard from my teacher

Dear Spruce,  
I am writing this on a very wet soggy day, but I hear the weather is going to be scorchio again next week which is great news but don't forget to put on your sun cream. I celebrated Henry and James birthday this week. We had our pizza party which was lots of fun, played mini golf (I won, wahey) and ate lots and lots of cake. We had lots of fun. I had a very interesting walk in Windsor great park with my friends the other evening, but we got a little lost and ended up having to walk back through lots of deer poo to try to find our way out. It was YUCK!!! I hope you are all enjoying your time at home and I miss seeing you all very much.

Love from Mrs Gilchrist xx
