

Postcard from my teacher

Dear Spruce,

I am so glad that the sunshine has come back as it gives me an excuse to eat lots and lots of ice cream again. I have planted some strawberry plants in my garden and I am making sure that I water them every day. Once they have grown big I am hoping to dip them in chocolate to make chocolate strawberries. Do you think that sounds yummy? I had lots of left over bread this week, so me and my children walked down to the river to feed the ducks and swans. A couple of weeks ago one of the swans had lots of babies. We were hoping to see them but unfortunately, they weren't there on our walk. I am just filling up some water balloons to have a water fight in my garden against my children. Wish me luck because it is 3 against 1. I hope I win.

Love from Mrs Gilchrist xx
