

Postcard from my teacher

Dear Spruce,
How are you all? If you haven't seen it yet I have uploaded a video onto the video resources page on our school website. I thought it would be nice to read you a story. Maybe you can watch it if you haven't already and join in with me? This week I was very proud of Isobel's strawberry plant. We picked some strawberries and they were HUGE!! We ate them for our pudding that night and they were very yummy. I have also discovered a very yummy spread called Biscoff. Have you ever eaten it? It is very yummy but once I start eating it I cant stop. I have decided that I am going to learn how to make a carrot cake this week. Mrs Johnson is going to give me a recipe because she is such a good baker. I hope it is as yummy as her cakes.
Love Mrs Gilchrist xxxx
