

Postcard from my teacher

Dear Olive,

This week I have been watching and waiting to see if my seeds will grow...nothing so far! We have been playing lots of board games and sports games: swing ball, spike ball and hockey.

Toby has started to mix games together. What two would you mix together and how? We have also made our own monopoly boards; mine is based on endangered animals.

What would your board be about?

I have been making sure Toby does his doodle maths and doodle times tables every day. I can see that only a few of you are doing it. Please can everyone get on it and keep those maths skills sharp! There is currently a doodle maths Easter competition!

I hope the Easter bunny manages to visit this Sunday but remember it is a bit tough at the moment so don't be disappointed if there's a delay!

Take care and I will write again soon.
