

Postcard from my teacher

Dear Olive,

I hope you are all well and the weather is not dampening

your fun at home. How are you enjoying your learning

on Brazil? I'd love to hear what you have been up to!

Toby and I have been continuing to watch the Chester

Zoo weekly videos on their animals. We love learning

about the different animals. My favourite animal is the

red panda although I do love Mr Parsons. Can you find

out what animal he is?

When the weather was nice at the weekend, I did lots in

the garden, it all looks very nice and tidy in the rain!

Well done to those who have remembered to do Doodle

maths this week. 100 stars is the highest someone got in

one day! Don't forget to do doodle times tables after

Doodle maths.

Take care and I will write again soon.

Mrs Akien

P.S. I saw Mrs Mason has put pictures of her cats and rabbits on her postcard so I thought I would pop one in of my cat Cookie! Here she is enjoying the nice weather and enjoying licking the water off the leaves, which have just been watered.
