

Postcard from my teacher

Dear Olive,

I have had lots of fantastic work sent to me this week.

Some amazing stories from The Catch and Ride of Passage,
research on Brazil, a wonderful VE day presentation, lots of
maths work and Space research which led to the design of a

rather cool Mars Robot. It all looks like great fun! It's
making me miss you all. Furthermore, one of you identified Mr Parsons as a Chameleon, well
done!

I also had a note to say that one of you enjoyed seeing

Cookie, my cat. Well here is another picture of Cookie looking
rather unimpressed! I caught her investigating a fledgling
great tit and so she has had to have a bell put round her
neck to forewarn any more animals that she might
investigate! Luckily the bird is fine and safely returned to its
nest, hopefully wiser about cats!

This week our Doodle usage has slipped, please, please
keep it up! Well done to the few of you who are
consistently doing it. Don't forget to do doodle times
tables after Doodle maths.

Take care and I will write again soon.
