

Postcard from my teacher

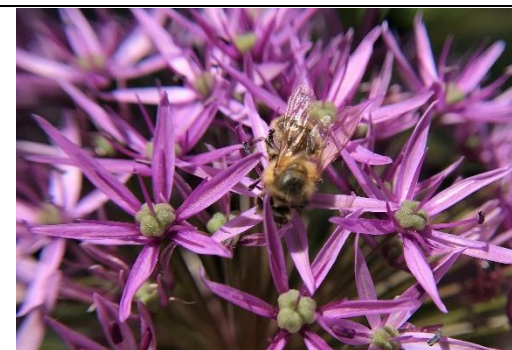

Dear Olive,

I hope you have been enjoying the fantastic weather! I have had another week of great work being sent to me. I've learnt a lot about cacti and I felt inspired by one of you taking an online photography course and the great photos you took! I decided to get out my macro lens again and have a go! Here is a picture of the flower love in the mist. I think it has some very interesting carpels and stamens. I also managed to catch a honey bee on an allium.

Cookie has been enjoying the nice weather too and is fond of following me round the garden when I water the plants so that she can lick the water off the leaves!

This week our Doodle usage is very low, (the lowest in the school). Come on Olive we don't want to be last! Take care and I will write again soon.
