

## Postcard from my teacher

Dear Olive,

I hope you are all well and have managed some time outside in between the showers. Again, it's been another busy week; I hope you have been enjoying the work this. I have seen some great newspaper articles on the water crisis.

The Reflective Garden is looking really good and all the plants have settled in nicely - lots are in flower.

Cookie has been outside in the sun enjoying my garden, I went out with her but it's made me realise how much weeding needs to be done!

Next week's work is all about endangered animals and the causes. Right back at the start of lockdown Toby and I decided to make our own Junior Monopoly boards and I made one based on endangered species. I wonder if you could make a game too.

Don't forget your doodle maths!

Take care and I will write again soon. Mrs Akien
