

Postcard from my teacher

Dear Bonsai

How are you all? Myself and my family are all well.

My sons are still busy in the garden. They have dug out a huge tree!

We all enjoyed our Easter and ate way too many eggs!

William and I are now back in the routine of doing school work in the morning.

In the afternoon we go for a walk. Sometimes we see our neighbours. We all wave and smile at each other which is lovely.

Last Thursday we wore our scout uniforms when clapping for the keyworkers as it was St Georges Day. Did any of you do this?

That's all for now, take care of yourselves and I will write again.

Love from Mrs Clark x
