

Postcard from my teacher

Dear Bonsai,

I hope you've all had another lovely week. I'm very pleased to say that I have received some fantastic work from some of you – it really made me smile to see how hard you've been working and that lots of effort has been going into your research and presentation.

I completely understand that for some of you it might be tricky to get anything sent in, I'm sure you're trying your best too.

So we're all working hard at home too, and have been enjoying being able to play outside – my son has been learning to ride a bigger bike and is beginning to get more confident.

Our family movie last weekend was the new Dora the Explorer film, where she's grown into a teenager and has to go on an adventure with some friends. I really enjoyed it and it made me think of your Brazil topics!

Stay well and enjoy the half term.

I'll write again soon,

From Mrs Walter
