

Postcard from my teacher

Dear Nursery,

I hope you are all well and enjoying the sunshine?. I have been doing lots of gardening, painting my garden fence green and my shed a stone colour. I have been doing my daily exercise and have been cycling along the river. George, my dog, comes along with me. He runs alongside and sometimes runs faster then I can cycle!!.

Snoopy and Peanut are enjoying all the peace and quiet at school but said that they miss you all and are looking forward to eating all the dandelion leaves that you can bring them when we return to school.

I miss Nursery and miss you all. I would love to see what you have been up to. You can send me some photos on Tapestry. It would be nice to see any drawings you have done, a video telling me about a story you have just read.

Take care and I will write again soon. Miss Andrews
