

Postcard from my teacher

Dear Nursery,

Another week has gone by and we still have such amazing weather. I have been enjoying sitting out in my garden and reading my book. Yesterday, we my family and I had our first BBQ. I was in charge of cooking the burgers and sausages.

I think the flames were to hot for the sausages and one actually went pop and bang and it didn't look like a sausage anymore. I gave that sausage to my dog, George still loved it. I did do some baking and that went a lot better. First, I baked a banana bread and then I baked a lemon drizzle cake- that one was my favourite. Have you baked any cakes?

The guinea pigs have gone on their holiday to Mr Blackley's (school's caretaker). They love it there as they get to play with

Their cousins; Neil and Buzz.

I hope you have a good Easter!

Take care and I will write again soon. Miss Andrews
