

Postcard from my teacher

Dear Nursery,

Did you have a good Easter weekend? I got some yummy Easter eggs, the mini eggs were my favourite. What's your favourite Easter egg/chocolate?

On the Saturday the weather was still good so we had another BBQ, and I'm definitely getting better at cooking sausages.

We also had melted marshmallows on the BBQ it was delicious. I have been keeping busy by practicing my DIY skills.

I brought some curtains and a blind for my bedroom. It was very hard to drill a hole into my brick wall, but I did it in the end. How have you been keeping yourself busy?

The Guinea pigs are still having lots of fun with Mr Blackley and they have even visited his allotment many times. They get lots of yummy grass and vegetables there.

I really hope you all got into your first choice school?!

Take care and I will write again soon. Miss Andrews
