

Postcard from my teacher

Dear Nursery,

How has your week been? Wow the weather has changed!

I was cold the other day when I was walking George. But

Never mind at least the plants are getting watered.

I am still cycling and brought myself a new helmet so I can

Cycle on the road. I decided to do some more baking again. I

baked some chocolate brownies. It was my first time making

brownies but the recipe was ok to follow. I melted some of

my Easter eggs and broke up some crunchie chocolate to put

inside. On Saturday, I joined a virtual quiz with my friends. It

was lots of fun and most of the time I just guessed the

questions. My friend and I came 3rd and there was 4 groups.

At least, we didn't come last. Annabel, thank you for your

postcard! I hope you enjoyed your ice cream? I'm sure all your

friends miss you too!

Miss you all, take care!! Miss Andrews

Postcard from my teacher

Hi I am George. I like to
run and jump. I like ham.
I am fun. I miss the sun.

I have received some lovely postcards/drawings by the children. I will write a postcard from George so the children can have a go at reading some words. If the children would like to write back please send the post card to learning2@datchetstmarysacademy.co.uk
