

Postcard from my teacher

Dear Nursery,

How has your week been? I have had another lovely week at Home. However, I really am missing going to work and seeing You guys. I am hoping the sunny weather comes back as

A friend of mine has given me her old swimming pool. I am Excited to let George have a little swim. I will take lots of

photos for you guys to see. I kept myself busy again by

baking. I started off by making rocky road. It is

an easy recipe to follow. First, you melt chocolate, butter and golden syrup. Then put some digestive biscuits in a sandwich

bag and break them using your hand. Next mix the broken

biscuits, chocolate and mini marshmallows together. Then

pour the mixture into a tray and leave it for a few hours. It

is very yummy!!!!

Snoopy and Peanut are having a lovely time away. On Monday

They had a spa day; a nice warm bath and nails cut.

Miss you all, take care!! Miss Andrews

Postcard from my teacher

Hello,
I had a run at the park.
It was fun. I play with a
big ball.

I have received some lovely postcards/drawings by the children. I will write a postcard from George so the children can have a go at reading some words. If the children would like to write back please send the post card to learning2@datchetstmarysacademy.co.uk
