

Postcard from my teacher

Dear Nursery,

I hope you had another good week? I had the best time on Bank holiday Friday celebrating VE day. Did you celebrate?

Did you find out what VE day is?

My mum and dad told me lots of stories of their parents During the war. When the war was over my nan went to London and had a huge party! We had a small party in my Garden. We decorated the house and the garden with lots of flags. Have you seen lots of flags?

For the party I did lots of baking the day before. I made cupcakes and a Victoria sponge. On the day we ate finger sandwiches and had Scones with cream and jam- everything was very yummy!

I was very happy that it was warm enough to get the Swimming pool out for George. He loved it! We threw all his Toys in the pool and he enjoyed fetching them.

Hope you have a good weekend. Miss you all! Love Miss Andrews xx

Postcard from my teacher

Hello,
I went for a swim. I was
hot. I got a ball. It was
fun.

Love George xx

I have received some lovely postcards/drawings by the children. I will write a postcard from George so the children can have a go at reading some words. If the children would like to write back please send the post card to learning2@datchetstmarysacademy.co.uk
