

Postcard from my teacher

Dear Nursery,

Wow another week has gone by! Do the days go really quick

For you? This week I have done a lot more walking. On Sunday

I walked up the long walk all the way to the Copper Horse.

When I got to the top I was out of breath. It was a lot easier

Walking down. On Monday I went walking with Miss Dyer,

Indi, Winston (Miss Dyer's dog) and George. We kept our 2m

Distance but still had lots of fun. We fed the ducks and George

And Winston enjoyed swimming in the river together. They

Like to chase each other around. In the afternoon, George

Went for a hair cut. He really really needed it! Look at

The picture below- I have done a before and after for you as

he looks like a different dog haha. I am so pleased the

sunshine is back. I have been sitting in the garden

Reading my book again. Have you been enjoying the

sunshine?

Stay safe and I miss you all lots and lots! Love Miss Andrews

Postcard from my teacher

Hello,
I ran for the ball. I run
fast. It is hot.

Love George xx

I have received some lovely postcards/drawings by the children. I will write a postcard from George so the children can have a go at reading some words. If the children would like to write back please send the post card to learning2@datchetstmarysacademy.co.uk
